

John Paul II visited Denver in the summer of 1993 for World Youth Day. While he was in Colorado, he visited St. Malo to pray and rest. On this retreat you will follow the footsteps of JP II and experience Christ in the beauty of the Rocky Mountains!

The concern for nature is a sign of our times. However, it is not uncommon to see the lack of an integral approach in the works for the environment. John Paul II with his word and his example has taught us to try to find God through the beauty of creation and to find in his Reconciliation the answer for our problems.

This retreat will provide the opportunity to meditate on these themes, as we follow the steps of John Paul II, hike where he hiked and pray where he prayed; combining deep spiritual activities and meditations with the contemplation and encounter with the beauty of creation.
